PURPOSE

This bulletin is being sent for informational and planning purposes to each California County Alcohol and Drug Program Administrator, as mandated by Health and Safety Code Sections 11758.40 - 11758.47 (AB 2071), to transmit the annual publication of contract procedures for the Negotiated Net Amount (NNA) single contract, NNA and Drug Medi-Cal (DMC) combined contract, and DMC direct contract.

DISCUSSION

The Department of Alcohol and Drug Programs (ADP), with input from the County Alcohol and Drug Program Administrators Association of California, California Organization of Methadone Providers, and the Director's Advisory Council, is continuing to process the multi-year contracts, which are based on the Governor's Budget (preliminary) allocation. The contract process is continuously being streamlined to facilitate implementation of AB 2071. The multi-year budget does not contain county-generated program, modality, and provider fiscal detail. The success of this endeavor is dependent upon ADP receiving a complete Budget from each county by Tuesday, July 31, 2001.

The contract procedures are updated and published annually, and reflect the process for the new multi-year contract. **The asterisks mark important, approximate dates in the process.**
